DN7300 | 316 STAINLESS
STEEL FURNITURE

DN995 | SELF LATCHING
MORTICE LOCK

DN7300 | HINGED DOOR FURNITURE

The DN7300 Hinged Door Furniture is designed and developed for high-traffic commercial areas

Designed and developed for high traffic commercial areas, the DN7300 Hinged Door Furniture is manufactured from corrosive resistant marine grade 316 stainless steel.

Featuring a single action escape function and solid external lever and plate, the DN7300 is a robust lever and plate mechanism that has been cyclic tested in accordance with the relevant industry requirements.

The DN7300 Series is compatible for use with the Doric DN995 (23mm/30mm/38mm) Commercial narrow back-set mortice lock mechanism in a wide variety of functions that will suit all commercial locking requirements in Australia and New Zealand.

ADVANTAGES

316 Marine Grade Stainless Steel

Suitable for use on all narrow back-set self-latching mortice locks

Non handed design. Suitable for left or right hand openings

6 Year Warranty (Conditions Apply)

DN995 | NARROW STYLE MORTICE LOCK

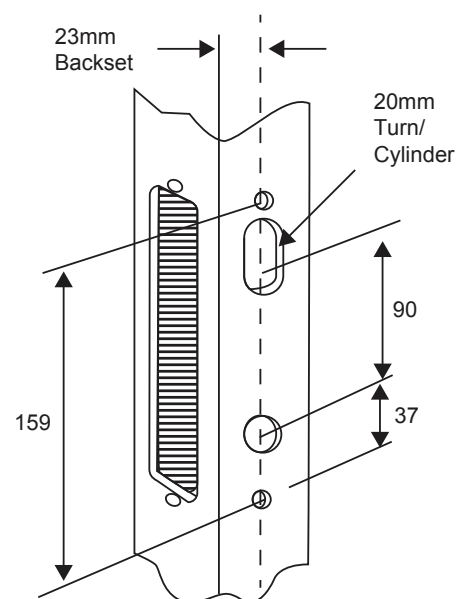

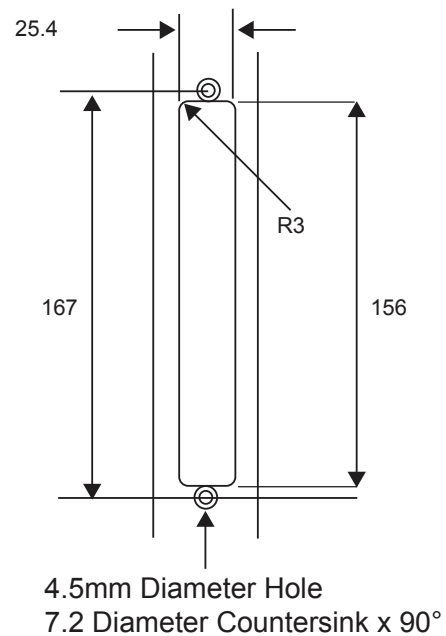

The DN995 narrow style mortice lock body is ideal for use in commercial, industrial and government buildings

Suitable for both aluminium and timber doors, the DN995 includes the option of eight differing lock functions. Ideal for internal and external commercial, industrial & government applications.

Matched with the DN7300 series and a choice of either /3 Manly handle or /6 Tumut, the DN995 is a heavy duty reliable lockbody for the Australasian market
