

# DS1500 | HINGED DOOR FURNITURE

Doric's DS1500 series range is arguably the best door furniture available in the market. Finished in satin stainless steel, both the lever and escutcheon cover are manufactured from marine grade 316 stainless steel.

The high pressure cast zinc escutcheon chassis houses the high performance spring mechanism. Each handle consists of a Quad Sprung, Twin Shuttle, Cam Action spring mechanism to return the levers to its horizontal position time after time.

The DS1500 is suitable for Euro Cylinder mortice locks with 85mm pitch between lever spindle and the keyed cylinder barrel.

Available kitted with Doric DS1265, DS1269, DS1273, DS1289, DS1295 and DS1297 mortice lock packs.
