

DS1 | CHAINWINDER

DS1 | CHAINWINDER

The DS1 is the most durable single window winder in the market, complete with innovation

Delivering a solution to the growing trend of awning openings, this revolutionary product is the ultimate in window control and has changed the way in which awning windows are specified.

Being the industry leader, the DS1 Chainwinder allows for easy operation and installation in a secure key lockable configuration. Combined with a stylish and easy to use slim fold down lever, this product delivers ultimate window control.

Designed for Residential and Commercial settings where awning openings are often found. The DS1 Chainwinder can be pre-restricted in order to comply with the NCC and to meet the requirements with Kids don't Fly.

ADVANTAGES

Window restriction compliant in association with Kid's don't fly with an easy chain restrictor switch

Removable chain from sash plate for easy and reduced installation time - EasyLink

Smooth, effortless operation and control for large awning openings

Fold down lever with adjustable spline
