DS776 & DS777 Awning & Casement Handles

Lockable and Non Lockable Window Handles

Awning & Casement Window Handles

Doric is delighted to unveil the stylish new DS776 & DS777 Awning & Casement Window Handles.

This latest addition to the Doric window hardware family has been specifically designed to suit the requirements of the Australian & New Zealand Window and Door market.

This modern handle design is not only visually appealing it has been manufactured from a die-casted zinc body which delivers strength and durability, two characteristics that will ensure your piece of mind once the window has been secured.

Actuated by a stainless steel spring mechanism, these cam free awning & casement window handles will compliment all residential and commercial window applications.

Backed by the Doric 7 Year warranty and strength tested in accordance with highest of Australian Standards, the new DS776 & DS777 window handles are sure to compliment your next project.
