

DT25 - 60mm B/S 85CC Roller Lock

FOR HINGED DOORS

- Heavy duty 60mm backset double sprung roller deadlock
- Commonly used on entry doors or on bi fold applications where narrow openings requiring maximum opening by allowing panels to fold flat.
- Double spring mechanism for better control over opening.
- Revised spring tension screw location for accurate adjustment.

Complimentary Hardware:

- Rebate kit - DT26 suitable for 12mm (1/2in) door stiles.
- Cylinders - DS197 & DS201.
- Hinges - DH30, DH31, DH32, DH33, DH34, DH35 & DH40X.
- Doric C4 keyed and non keyed flushbolts - 140mm, 210mm & 400mm.
