DOOR CLOSER

## DC6000 | SURFACE MOUNTED DOOR CLOSER

# The DC6000 Door Closer offers quality, reliability and a sleek and stylish rectangular body

The Doric DC6000 is a rectangular bodied style door closer which offers a high level of efficiency, quality and reliability. The closer is suitable for use on internal doors as well as fire rated doors.

The DC6000 provides a universal solution to many different architectural environments, designs and styles. The closer features a high degree of adjustability including closing and latching speed, level of power and back check.

Included is a parallel arm bracket for outward opening doors on top of it's standard arm Mechanism and is versatile with it's non handed installation.
