

DS276 | IBIS PATIO
DOOR LOCK

The DS276 Ibis Patio Door Lock is a sleek and effective solution for your sliding door.

The DS276 Ibis Patio Door Lock delivers a sleek and effective door lock for medium size sliding doors.

Security is essential to all residential home and commercial units. At Doric, we offer a revolutionary sliding door lock with enhanced strength and extra safety features such as the anti-drop system. A system which prevents latch drop when there is impact on the locked system adding additional security and innovation. On top of these features the DS276 Ibis Sliding Patio Lock comes with UV protective powder coating.

ADVANTAGES

Smooth, effortless operation and control for sliding doors

Superior UV fade resistant

It is equipped with an anti-drop system which enhances security

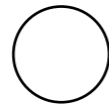

Excellent structural strength
