

# The DS2480 is a low profile, sleek snib lock furniture created to complement the DS2400 lockbody.

With a minimalistic design, the versatile DS2480 can be used to snib and lock either a door or window.

Featuring a visible locking indicator and concealed fixing, the clean design of the furniture can be colour matched to the door, and will complement the architecture with a choice of stand alone flush pulls or decorative furniture.

## ADVANTAGES

Can be used for both windows & doors

Low profile design

Visible locking indicator

Concealed fixing

Can be used alongside a separate D Pull
