**TWIIN™** | SLIDING PATIO  
DOOR LOCKS

# TWIIN™ | CHASSIS

The Doric Twiin™ was the first non-handed twin actuator system to be offered in the Australian market.

The extra thick 6mm plated cast tongues ensures the Doric Twiin™ offers a high level of security that surpasses similar products designed for residential applications.

The Twiin™ lock is available in a range of sleek and contemporary handle designs which blend seamlessly with modern decor.

## ADVANTAGES

- Two large 6mm thick opposing action hook tongues
- Standard model offers latched or deadlocked security functions
- Utilises industry standard C4 pin cylinder system
- Unique and smooth Twiin™ push/pull actuator operation
- Utilises industry standard 82mm machining details
- Incorporates an anti-crash feature to prevent keeper damage
