# The Advant is the latest single point sliding door lock chassis.

The Advant is Doric's latest single point sliding door lock chassis which is built on Doric's many years of experience.

Incorporating a common lock body, that suits a range of Polesium™ grab and non-grab handle cover designs, the chassis is versatile, reliable, corrosion resistant and affordable.

## ADVANTAGES

One machining detail over multiple handle styles, suits industry standard 82mm door preparation.

Latch and deadlock all in one standard model offering end users flexible security options.

Polesium™ base offers a high resistance to corrosion in aggressive environments. Metacom™ base option also available.

Accepts both Doric 5 disc wafer cylinder and C4 5 pin cylinders.

All locks form part of the Doric One Key™ solution and can be keyed alike to other window locks.

Exposed easy action limited dexterity lever feature.

Chrome plated lever and tongue.

Accepts a wide range of Doric external handles.

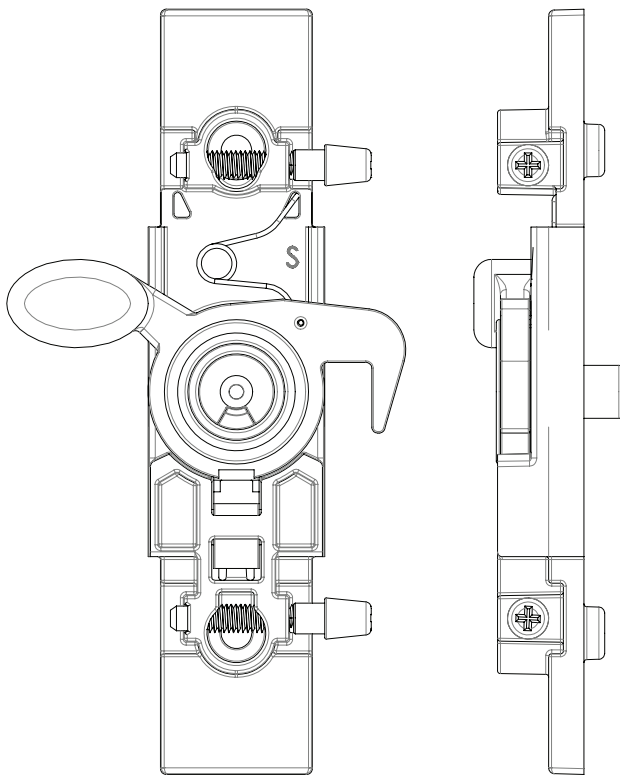

Anti-lift pins to prevent door from being lifted to bypass lock.

## PRODUCT DETAILS

MATERIAL	Polesium™ base Zinc latch and lever
CYLINDER	C4 pin and D6 disc cylinders are available  Disc cylinders standard and One Key™ compatible
KEEPER	DS5010

## LINE DRAWINGS

## DS930A | WILTON SLIDING PATIO DOOR LOCK

# The DS930A encompasses a modern & sleek aesthetic to suit a variety of sliding doors.

The DS930A Wilton Sliding Patio Door Lock accompanied with Doric's Advant Chassis offers users the highest quality single point lock adhering to industry standards. The use of common fixings plus standard machining details ensures this lock can be easily retrofitted and is compatible in a variety of configurations of sliding doors.

The stylish pull handle offers a contemporary look and the maximised offset allows for an ergonomic and comfortable grip.

## ADVANTAGES

Flexible security options with all-in-one latch and deadlock model

Polesium™ offering high corrosion resistance

Adaptable design to suit left or right sliding configurations.

Doric's cartridge cylinder system makes re-keying or cylinder change uncomplicated for better security

Doric One Key™ solution allows all locks to be keyed alike

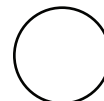

Anti lift pins prevent the door from being lifted to unlock the door
